Reference: create a dealer account.

Hello fellow dealer,

Thanks for your interest. Unfortunately, you aren't currently listed as a dealer with us. In order that we safeguard our other dealer colleagues we require evidence of **your Business, i.e. Registration, Letter headed paper, www. Homepage Address if applicable (or a photo of your business premises).**

Please could you send these by fax, or e-mail, on Info@Delta-Custom-Bikes.com are also acceptable.

If you don't have a Homepage complete with details/pictures of your premises, we will require clear photos. Snail mail is also fine!

Only then can we create a dealer account!

Important Notice:

We only offer dealer prices to those firms whose main business is the buying, selling & customization of Motorcycles and similar. Of course, that doesn't mean that you have to be an authorized dealer. It's enough to be a "normal" dealer. Other businesses i.e. Car dealers, car repair shops, metal works, gas stations, clothes shops, etc. will not be considered as dealers by us.

best regards your Delta Custom Bike Team

Tom
